FALL IS HERE...

Let's Clear the Leaves!

Sycamore Park • 55+ Community

October 5th – November 30th

LOOSE LEAVES ONLY — NO BAGS

Place leaves at the curb for collection.

The leaf vacuum will be around to pick up the piles. No other yard waste will be collected during leaf collection.

i We checked in with the Township and their **vacuum machine is still broken.** They do not have a definite date it will be fixed or a definite date for then they will begin leaf collection. However, they assured us that **leaves will be picked up by November 30th.**

There is **no set day** for neighborhood pickup. Leaves placed at the curb by **November 28th, will be picked up.**

Any leaves left at the curb after the Township comes through the final time are the responsibility of the resident.

Rake • Pile • Relax!
