Residents of Sycamore Park,

The purpose of this letter is to inform you of changes to our agreement. We have carefully evaluated this decision to increase your rent to ensure that any increase is as minimal as possible. Even with this adjustment we remain one of the most competitively priced communities in the area. This step ensures we can continue offering the services you rely on, maintain the community's upkeep and keep up with rising costs. We have concluded that an increase of 2.82% is the most equitable.
